NARRATIVE (Required)

The narrative is your opportunity to demonstrate how your program/organization meets the aims of the awards program. The examples you provide should describe how your efforts to improve international knowledge and skills for students and teachers meet the following criteria. **Please address all three points.** Responses cannot exceed 500 words per field (1500 words total).

Your program/organization demonstrates:

1. Creativity in communicating compelling, substantive international content;
2. Innovative applications of technology to:
 - (a) effectively promote international knowledge to a diverse community of K-12 U.S. studentsOR
 - (b) connect U.S. students and teachers to those in other parts of the world;
3. Capacity to enable large numbers of students and teachers to acquire international knowledge and skills through:
 - (a) breadth of reach as a modelOR
 - (b) potential to be a replicable model.

LETTERS OF SUPPORT (Required)

Please upload three letters of support from individuals or organizations familiar with your organization's work. All letters must be clearly marked with the applicant's name as well as the name and contact information of the individual/organization writing the letter.

Please upload your three letters of recommendation here:

Letter 1: _____

Letter 2: _____

Letter 3: _____

SUPPORTING MATERIALS (Optional)

Supporting materials are intended to highlight aspects of your program/organization's commitment to improving international knowledge and skills that were not addressed in your response to the previous criteria. Unfortunately, we cannot accept email attachments or uploaded files on our website. Therefore, please submit up to three URLs linking to your optional supporting materials below.
