

Partnership for
Global Learning

The **Asia Society Partnership for Global Learning** annual conference connects educators, business leaders, and policymakers to share best practices, build partnerships, and advance policies to ensure that all students are prepared for work and citizenship in the global 21st century.

Join the Conversation in 2010!

Build Successful Global Futures

Hear why success in college and the workplace now requires global knowledge and skills

Teach for Global Competence

Explore new strategies and resources to help young people learn about the world

Transform Schools and Districts

Discover new models and approaches to designing and leading world-class schools and afterschool programs

Learn with the World

Collaborate with international experts on teaching and learning

Advocate for Global Learning

Engage federal and state leaders on policy options to promote global competence

Make Connections

Share knowledge and build effective networks to support global learning
